Middle Dural News

We are very proud of our Middle Dural athletes who represented us last week at Sydney North Area Athletics.

Our relay team have made it through to State. Well done Demetri, Ranvir, Rajveer and Kahlil. Fine effort boys.

Congratulation to Jaydon who will be going through to State in the Senior MultiClass 800m. What a champion!

Thank you Dural Bunnings

We were very lucky to have the Activities Organiser from Dural Bunnings spend the afternoon with us last Friday.

Niamh provided us with soil, equipment, a variety of herbs, daisy plants, a lime tree and a lovely outdoor bench.

She reported that our students were extremely enthusiastic and they went above and beyond to weed, and plant out, our new garden beds.

OPEN DAY

Thank you to everyone who contributed to the huge success that was our Open Day.

Our BBQ and cake stall worked a very long day to provide a very pleasing boost to P&C funds. Deidre, Torie, Glenn, Elka and Mrs Moss- we appreciate you.

Our book sale was busy all day with lots of happy shoppers coming out with bag loads of books. Thank you to Michelle, Mike and Rita for making it such a success.

Miss O'Brien painted up some gorgeous happy faces with some truly beautiful designs- what talent!

Mrs Horrocks and Mrs Muscat were keeping our visitors busy with plaster painting and scavenger hunting.
What a wonderful day!

OPEN DAY

During Weeks 8 -9 this term your children will have a wonderful opportunity to participate in daily swimming lessons. They gain so much from the chance to develop skills over an intensive program like this.

We only have places for a limited number of students across K-4. Please return your notes and payment ASAP.

**Swimming &
water safety
program**

10 Days

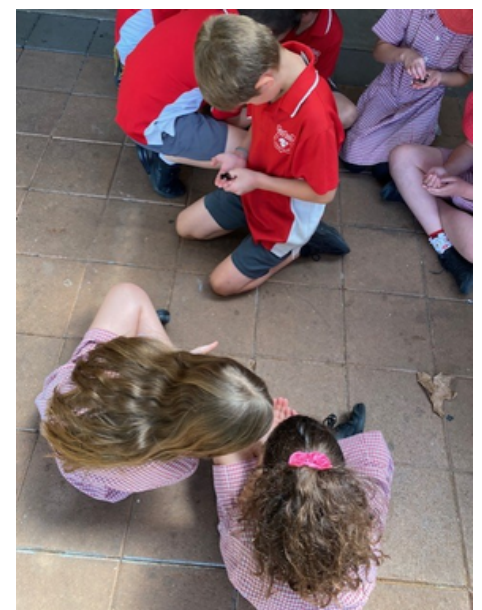

WORM WORKSHOP

This week Casey from Enviro Mentors visited to teach us about composting and worm farms.

He commented on the very impressive background knowledge that our students had. Thanks to Hornsby Council for funding such a great learning experience for our students.

It was the perfect follow up lesson from the gardening we did last week.

We love hearing about special achievements for our students, even if they are outside of school.

Well done to Rochelle for her success at the Hawkesbury Show this year.

Please share photos and news about your children- we love to celebrate every triumph.
