**Melissa Date- Principal**

Middle Dural News

We are all enjoying watching the progress of our mural each day.

From the very beginning, with the base coat, which was so expertly prepared by David Campbell (Madeleine's Dad) and Binu (our amazing GA).

Our artist, Luke Kelly, has been happily chatting with students as they ask questions about his work and they are learning lots about the processes involved in a big scale painting. We are thrilled with the vibrancy it has added to our main quad area.

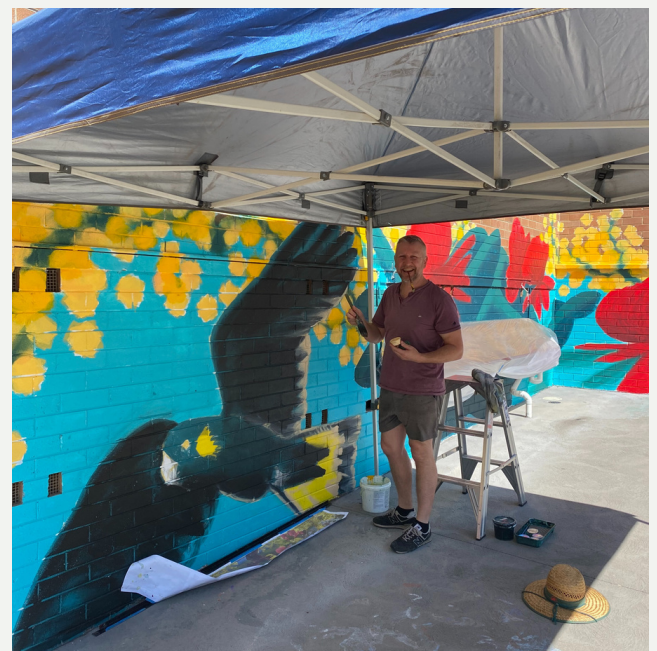

Our students have been actively involved in the painting process as well as incorporating the themes of our mural into an update of our PBL practices. Daily updates and videos of our mural progress are available on our school **Facebook page- Middle Dural PS.** Watch this space!

Welcome to Mrs Muscat

Next term we will welcome Mrs Muscat to our team. She will be relieving in our APC&I (Assistant Principal- Curriculum and Instruction) position on Thursdays and Fridays.

She comes with a wealth of experience and we are thrilled to have her on board.

OUR MURAL TAKES SHAPE!

OUR MURAL

Term 4 Assembly

After consultation with our P&C, we have decided to make some changes to the structure of our assembly routine for term 4.

Teachers felt that the fortnightly assembly did not allow enough time for students to thoroughly prepare something special for their presentations. It was also discussed that the additional teaching time each fortnight could allow more time for extra-curricular activities such as debating and STEM. Our assembly dates for term 4 will be in week 4 and week 8;

Thursday, 2nd November, 2.30pm
Thursday, 30th November, 2.30pm

CHESS WORKSHOP

774 Old Northern Rd,
Middle Dural
NSW 2158

Before and After School
