LONGNECK LAGOON LEADERSHIP DAY

Mrs Clare was raving about our school leaders when she returned to school last Monday afternoon. She was so impressed with their exceptional behaviour and willingness to participate in every challenge with gusto.

Our students loved the chance to connect with peers from other schools for the day, and also to learn from the amazing teachers at Longneck Lagoon. Thank you to Vicky and her team for hosting such a great day.

We are so proud of the improvements we have seen in attendance.

Several students achieved their prizes this week for arriving to school on time every day this term. Our morning lines are looking fantastic at 9am each day, with students promptly lining up ready to start their day. Overall attendance has also improved this term, which is only going to result in better outcomes for our students. Keep up the great work!

Farewell Mr Bronger. It has been such a pleasure to have you here with us since the beginning of our school year. we hope to see you back at Middle Dural soon.

We would love for our parents to come and sit at our yarning circle as you wait for your children to finish at 3.05pm. Please sit and have a yarn- it's always lovely to connect with other parents. Teachers will walk their classes to the Yarning Circle every afternoon to greet you.

Teachers have lots of preparation to do every afternoon and we are always eager to get back to classrooms at the end of the day to create engaging lessons for our students.

Children who have not been collected by 3.05pm will be waiting in the office for collection if a parent has not arrived.

Dooral Early Learning Centre offer OOSH every afternoon and collect children from the school gate if you are unable to arrive by 3.05pm.
